

Palm Sunday Message

Children's Message

Good Morning and how is everyone doing? I thought we could begin with a topic that we all seem to love and probably need at this time. That would be a good party. People just love to get together and celebrate and mark special moments in their lives with a good party. We do this with birthdays, anniversaries and graduations. Any time is a good time for a party.

Sunday services are supposed to be celebrations and parties too. Each Sunday is a celebration where we remember Jesus's raising from the dead and giving you and I eternal life. That is the greatest gift anyone could bring to a party. That is the greatest reason to celebrate and have a party each and every Sunday. On Sundays we see the people we know and spend time with them. Then we listen to uplifting music for our souls. We can either listen or sing along. The food that is served is the food of eternal life.

Today we celebrate Jesus's coming into Jerusalem. Where the people celebrated and welcomed Him as their king. They showed Him great respect by putting their coats and palm branches on the road before Him. They were having a party. For us today this is the small party that is building up to the BIG Party on Easter.

So today have a small party in your house and remember Jesus coming into Jerusalem. You can design your party anyway you wish and make it yours. Do not put branches on the floor, but get together with your family, pray, celebrate and remember Jesus coming into Jerusalem. Make Jerusalem your home and welcome Jesus with a party.
