

Children's Message  
March 22, 2020

Greetings from Pastor Daren,

Gather your family and read Mark 12:28-44 together. Now is such an important time to pray and read God's word at home as a family.

This reading is all about giving gifts. Most important to God is how we give gifts from our hearts, that our hearts should give gifts with love. This intention is very important, so that the gift truly becomes a gift and a grace to the person who receives it.

On the other hand, if we give a gift in anger, and frustration or grudge to somebody, it really stops being a gift in the fullest way. It certainly does not have that element of grace any longer. We need to remember that God gives us everything out of His loving and generous heart. That is why it is a grace and a gift. God expects us to do the same when giving a gift. When we do this we are spreading God's love and we become more like Him. God Bless and Peace and Love.

Pastor D.
